

to
be
late

An artist project by **Lu Zhang**

to enter

to leave

to fall

to pass by

to be born

to descend

to come back

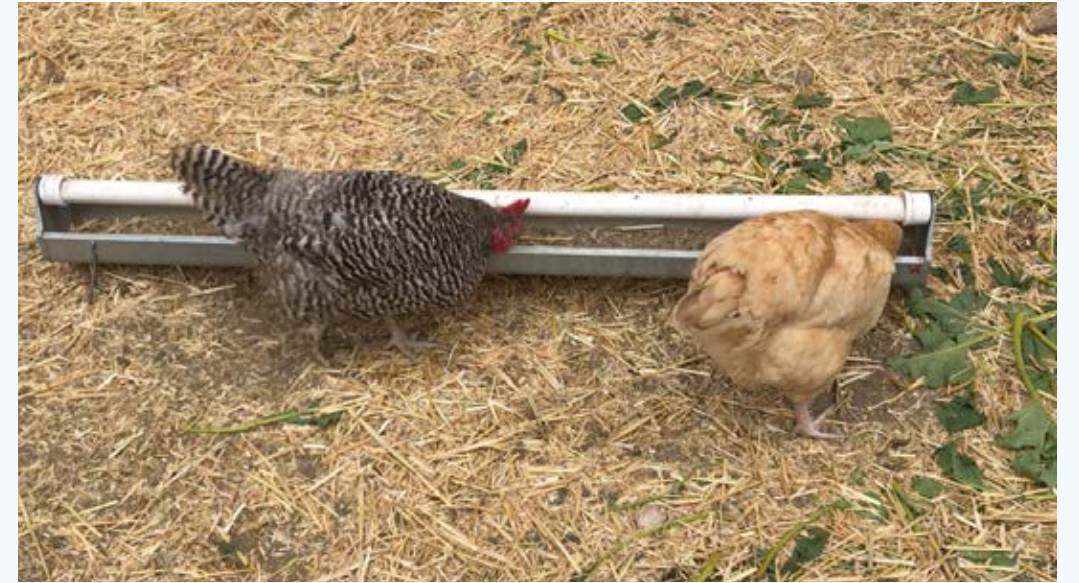

to die

to come

to arrive

I fed her blueberries

Unable to bite into the skin

she pressed each one between her gums and sucked out the pulpy flesh

surprised by the heat of her mouth

I fished out what she couldn't swallow with my fingers

as the rest of her receded

to return
to go out

to remain

to exist

to go

to become
